**RUSA 2.0/PM-USHA Assam Sponsored  
Teachers' Training Programme on Mentoring  
Cutting Edge Research in the Light of  
NEP 2020**

**9<sup>th</sup> and 10<sup>th</sup> October, 2025**

**Kokrajhar University, Kokrajhar**

*Organized by*

**KOKRAJHAR UNIVERSITY, KOKRAJHAR**

*in collaboration with*

**UGC-MALAVIYA MISSION  
TEACHER TRAINING CENTRE**  
(Formerly UGC-Human Resource Development Centre)  
GAUHATI UNIVERSITY, GUWAHATI-781014

Dear Sir/Madam,

Greetings from Kokrajhar University!

Kokrajhar University (erstwhile Kokrajhar Govt. College) has been created under The Kokrajhar University Act, 2024 (Assam Act No. XVIII of 2024) with a commitment to advancing the frontiers of knowledge while remaining deeply rooted in our ethos for social responsibilities. For more than six decades, this institution has nurtured generations of students, created pathways for social transformation, women's empowerment and sustainable development in BTR and beyond.

To create an environment of scholasticism and research activities at the university, the campus must be populated by research-oriented teachers and active scholars. For this reason, we have decided to avail of the two-day Teacher's training programme under UGC- Malaviya Mission Teacher Training Centre, Gauhati University which is a kind of hand-holding gesture to our newly established university. This faculty improvement programme seeks to advance the NEP, 2020's vision by fostering cutting edge research in areas such as Sustainability, Climate Change, Digital Transformation, Artificial Intelligence, Machine Learning, Biotechnology, Health Sciences and Inclusive Education. It aims to build faculty capacity for interdisciplinary, collaborative, innovative and critical enquiry.

In this two-day programme, we have invited eminent experts from different backgrounds who are acknowledged as having reputation in their respective fields. There will be four sessions each day and at the end of programme the participants are expected to be refreshed and invigorated with the advanced level of knowledge and skills for modern research activities.

So, I would like to request all the faculty members and research scholars to participate in this programme.

**S. J. Wary**  
Programme Co-ordinator

**FOCAL THEME**

**Cutting Edge Research in the Light of  
NEP 2020**

**Sub-Theme:**

- Curriculum Design and Its Implementation with Special Emphasis on LOCF System
- Designing High-Impact Research Projects: Planning, Methodology, Collaboration and Funding Agencies
- Need-Based High-Quality Research in the implementation of NEP 2020
- Ethical and Quality Research Works Towards NEP 2020
- Intellectual Property Rights in the Age of Technology
- Climate Change and Sustainable Development
- Use of Geo-Spatial Data in Quality Research
